regulations of that program, until discharged; (3) Defendant shall reside in a residential reentry center or similar facility, in a prerelease component for a period of 180 days to commence upon release from confinement and must observe the rules of that facility. Should Defendant obtain a residence approved by the probation officer during the 180 day placement, Defendant shall be released; (4) Results of the psychiatric evaluation conducted by the Bureau of Prisons shall be released to the mental health provider upon commencement of supervision; and (5) Defendant must discuss the results of the Bureau of Prisons psychiatric evaluation with the mental health provider during the initial visit.
